Catalogue Notes

Items are presented for the most part in the order they will be sold during the LIVE televised auction, Thursday through Saturday February 21, 22 and 23.

In the measurements given, a height is stated first, then width, then depth if applicable. In the case of framed or matted works of art and photographs, measurements refer to the overall size of the framed or matted piece.

“Value” represents the donor’s estimated value of the item or the value recommended by the judges or research. This is not a “minimum” or “price” and is furnished as a guide to prospective bidders.

It is recommended that all items be viewed personally and inspected thoroughly during the pre-air exhibition or preview as imperfections may not be noted in the catalogue.

PreBid Procedures at the Art Preview

From 5-8pm, on Friday, February 15 and Saturday, February 16, 12-3pm, an Art Preview Open House will be held at the Elmo Sackett Broadcast Center, 3877 University Drive, Anchorage. Prebids will be taken at this time on the artwork that will be featured in the Live auction. All those who wish to prebid on the Art Showcase pieces will be required to register with the front desk. Bid sheets for each item will be located on tables in front of the items. Each item will be numbered and that number will be on the bid sheet corresponding to that item or art piece.

Bidders will place their name and phone numbers by the amount they wish to bid. Prebidding obligates the bidder to purchase the item only if the prebid remains the highest bid after the LIVE televised auction occurs. Each item will be taken to bid completion during the Live Art Showcase Auction. If the prebid remains the highest bid, then the bidder making that prebid will be contacted as the successful bidder. During the Open House, there will also be art that can be purchased and taken with the buyer that day. This art will be located in the BUY NOW area upstairs.

On-Air Bid Procedure

Bidding is done over the phone by those viewing the auction and in the studio by the live bidding audience. Each item being offered will be described, including the item number and title. If you are outside the studio and see an item on which you wish to bid, immediately picked up the phone and dial 550-8484 or (800)478-5256 and begin your bidding. The operator must take your name and phone number before you are allowed to bid.

The operator will tell you the highest current bid. There are 9 other phone bidders and in-studio bidders that you are potentially bidding against. In the event of two identical bids, the Auctioneer reserves the right to determine which bid he considers first. If you are the highest bidder, a confirmation operator will call you within one hour of the item’s sale to give you instructions for picking up and paying for your item.

Condition of Sale

Proceeds from the KAKM Art Showcase Auction will benefit Alaska Public Telecommunications, Inc., 3877 University Drive, Anchorage, Alaska 99508. APTI assumes no risk, liability, or responsibility for the authenticity of the authorship of any property identified in this catalogue (that is, the identity of the creator or the period, culture, source, or origin, as the case maybe, with which the creation of any property is identified herein).

All property is sold “as is” and APTI does not make any warranties or representations of any kind or nature with respect to the property, and in no event will be responsible for the correctness, nor deemed to have made any representation, or warranty of description, genuineness, attribution, provenance, historical period, or condition of the property, and no statement in the catalogue or made at the sale of, in the bill of sale or invoice, or in the script or elsewhere shall be deemed such a warranty or representation or an assumption of liability.

APTI makes no representations or warranties, expressed or implied, as to whether the purchaser acquires any reproduction rights in the property. APTI reserves the right to withdraw any property at any time before actual sale.

Removal of Property

Successful bidders must arrange for payment and removal of purchases within 48 hours of their confirmed high bid unless other arrangements are made. APTI reserves the right of dispose of the property in any manner it deems appropriate if the successful bidder does not remove the property within the agreed upon period of time.

Payments may be made by cash, check, VISA, MasterCard, American Express, or Discover. The buyer shall be responsible for transporting his/her purchase. Items may be paid for/picked up at APTI, 3877 University Drive, during the following hours:
