Hey Bruce,

Happy Friday! I hope you are doing well!

We just wanted to reach out and let you know that we had a call with Admiral Giroir and we asked for more Cepheid tests to be sent to Alaska to help with surge testing. He agreed to send 4,000 tests a week to the state until the end of September. I encourage you to reach out to the state if you still need tests. Hopefully this will help with the backlog and help you meet the demand in your community! We will continue to do what we can to get supplies to great facilities like yours. Thanks!
